Remarks

Newly updated Cape in the desirable Little Harbor Estates. Brand new appliances, granite counters, sterling oak vinyl and oak hardwood floors throughout. Beautiful 3 bedroom, 2 bath home features ample closet/storage space, air conditioning, two-car garage (and plenty of driveway parking), additional 500 sq ft loft above the garage, a large private deck, and master bedroom with balcony. Very quiet and peaceful neighborhood. Breathtaking sunsets, kayaking, boating, fishing, golf ~ all less than a mile away. Coastal cape that neighbors private association beach on Buzzard's Bay!
